

**Always have an attitude of gratitude.**

We usually forget to thank people for the work they do, like thanking our house help from time to time, or the security personnel, the house keeping staff, the gardener, attendants at our workplaces. We should do this because it makes them feel important, which they are. Just think about a day without them!

Having said this, we are sure all are aware about Labour Day which is celebrated on May 1<sup>st</sup> every year. Let's all join hands to help them.

We wish to raise funds so that we can gift them with a token of appreciation and put up a heartwarming performance for them. We want them to know how much we appreciate whatever they do for us and make them feel special. We strongly believe that they deserve it for all that they do.

If you wish to donate or contribute in any way for this cause, please contact Respective class teacher.

- Staff may donate from Rs 100/- up to any amount you wish to. Staff can also donate basic things like Rice, Dal, Soap, Oil etc.
- Students can donate anything like 1Kg Rice, Dal, Soap, Oil or any basic household items to give to them. The same needs to be handed over by the child to the concerned class teacher. **School will not accept money from students, so send only basic items which they can use.**
- **Student may submit these items to school from 10<sup>th</sup> April- 25<sup>th</sup> April 2023.**

Your support is invaluable to our efforts in appreciating these people who are always on their toes helping us with our work.

Looking forward for your kind support & cooperation.
