

MONTHLY CIRCULAR

☺APRIL, 2024

THEME: SDG -15: LIFE ON LAND

Dear Parents,

Please note the details of the CCA activities and other information for the month of April 2024.

- Teachers will provide all the details to students. Parents have to refer activities of their ward's particular class.
- CCA will be conducted on every Wednesday.

1. RE-OPENING OF SCHOOL

- For nursery & Grade I– 01/04/2024
- For Jr. Kg to Grade IX- 02/04/2024
- For X & XII – 04/04/2024

2. TALENT HUNT (Grade I to VIII): 10th April, 2024, Wednesday

- It is an opportunity for students to exhibit their unique skills or hidden talents to their fellow students. Children can demonstrate their skills in class according to their wish/ talent.
- Teachers will give all the instructions and will explain in detail about this activity in class.

3. GARDEN DAY (GRADE I TO VIII): 17th April, 2024, Wednesday

- “Go green to keep our globe clean”. A gardening day is a great way to get the school and community involved in the school garden. The more the whole school community is involved from the outset, the greater the likelihood of growing projects achieving lasting success.
- Students will be doing various activities in school garden.

4. EARTH DAY CELEBRATION (GRADE I to VIII): 22nd April 2024, Monday

- Earth day is an annual celebration that honors the achievements of the environmental movement and raises awareness of the need to protect Earth's Natural Resources for the future generations. The Theme of Earth Day 2024 is “PLANET vs PLASTIC”
- To mark the importance of Earth Day various hands-on activities will be done during the class.
- Students should carry ART kit with them for these activities.
- Students of Grade I to III will have hands-on activities.
- Students of Grade IV to VIII will have a Poster making Competition Based on the Topic “PLANET vs PLASTIC”

- Teachers will give all the instructions and will explain in detail about this activity in class.

5. SCIENCE CHALLENGE (GRADE I TO VIII), 24th April, 2024, Wednesday

- A Science quiz is an effective way to generate curiosity in your child and make the learning a fun activity. Quiz games improve concentration, identify knowledge gaps, boosts confidence and help retain information. They are also entertaining.
- Science Quiz Competition based on Topic “**Life on Land**” will be conducted in Class. The competition will be among the Houses. The House which score the highest point in each class will be displayed in the Notice Board.
- Teachers will give all the instructions and will explain in detail about this activity in class.

NOTE: Please note the Holiday for the Month of April

- 09/04/24 on account of Gudi Padwa
- 11/04/24 on account of Ramzan Id
- 27/04/24 on account of CBSE WORKSHOP
- 30/04/24 will be a Half- Day.

Regards,

Ms. Bhumika Varma
Principal.
